

Helsingborg International Connections

We believe we can provide solutions that help businesses and individuals succeed in today's ever-changing world. Our activities are designed to support talent retention, employer branding, and social sustainability

Who We Are

Helsingborg International Connections works in partnership with the City of Helsingborg and Region Skåne to welcome and support highly-skilled international citizens moving to and living in North West Skåne.

We deliver a programme of social, professional, and informative events that facilitates a smooth transition to living, working and studying in Skåne, enhancing employer branding, and boosting the region's attractiveness to business.
